Salted Egg Yolk Waffle

With the trend of salted egg yolk desserts peaking, Madame Waffle introduces their version of this time tested favourite – the Salted Egg Yolk Waffle. This creation pays tribute to the highly-coveted preserved egg and all its goodness, a sumptuous sweet-savoury dessert of original waffle, topped with artisanal salted egg yolk gelato and finished off with Madame Waffle's house special salted egg yolk lava.

It's a delicious combination of flavours and textures where you get that divine crispiness from the fresh waffle, followed by its fluffy centre and a lush creaminess from the gelato and egg yolk lava. The saying, "Everything is better with salted egg yolk" is just about right. And there's no better way to enjoy this all-time favourite, than with Madame Waffle!

Come indulge in some Salted Egg Yolk Waffle at Madame Waffle today, and taste for yourself why this creation is such a crowd favourite!
